Morgan 22 Pendant

AKPD593

Design Firm
AvroKO

Country Of Origin
China

Description

An homage to mid-century modern design, the Morgan series by Avroko features contemporary minimalist lighting in four-size options. The pendant light, in clear or smoked Italian glass with either hand-rubbed antique brass or bronze finishes, features a sandblasted bottom edge echoing the soft lines of the silhouette. Inspired by iconic designers like Achille Castiglioni, the pendant light will lend a sophisticated touch while diffusing soft illumination in interior spaces
