Description

The design of the Adjustable Stone Side Table offers both functionality and flexibility, making it a perfect choice for hospitality settings. By allowing easy height adjustments, the table seamlessly transitions between dining and lounge areas enhancing its versatility. This adaptability also contributes to its timeless appeal, ensuring it remains a valuable piece in various environments.

Table can be adjusted from tea height to coffee table height. It boasts a beautiful chamfered edge at its underside and a strong, brass base supports the stone stem.
