

Wythe Large Chandelier

SKU: 700WYT8

Design Firm

AvroKO

Country Of Origin

China

Description

The Wythe Large Chandelier by AvroKO presents a strong impression with smooth diffusing light in its most honest and simplest form. It is created from the marriage of industrial elements and the raw natural expression of glass. The cylindrical brass structure holds cast glass that is lit to highlight the natural fissures and imperfections from the casting process. This fixture proves its distinction over time, aging with elegance and becoming unified with the place it intends to call home.
